Republican Club Meeting.
The following is the official notice of the Republican club meeting to be held Tuesday evening next:

SHOT HIMSELF.
John Kappes Fires a Bullet Into His Brain.
John Kappes, employed in the Illinois Central yards, shot himself through the head with a 32 calibre revolver about one o'clock this afternoon. He came from the yards to his home at 1004 North Calhoun street for dinner, in his usual good humor, took up his only child, a babe a few months old and kissed it, then spoke pleasantly to his wife. He ate his dinner as usual and afterwards lay down upon the bed. About one o'clock, his wife expecting that he desired to return to his work on time, spoke to him about the matter. He replied that he would not go for a few moments. A moment later he arose from the bed and stepping to the bureau took out a piece of chalk, such as is used by railroad men in marking cars, then reaching back into the drawer he took therefrom a revolver the muzzle of which he placed to his forehead and before his wife either suspected his intention or had time to interfere, he exploded the weapon and a 32-calibre bullet went crashing through his brain. He fell to the floor without a groan. Neighbors soon came in and placed him in bed, where he now lies at the point of death. Drs. C. P. Kennedy and A. D. Bridgman have done all that can be done for the wounded man.

Run a Race.
Several parties indulged in racing on the highway near Chaner yesterday with results not altogether satisfactory to the participants. The team, and buggy occupied by John Gustin and Minnie Chamberlain, ran off a bridge and fell to the bed of the creek below. Both Gustin and Miss Chamberlain were badly bruised, the girl being unconscious for some time. The injuries fortunately are not serious.

Broke His Leg.
Pleasant Shoemaker, whose home is in Long Creek, suffered a severe accident Monday evening. Mr. Shoemaker was in the city Monday and on his way home, when approaching the Cow ford bridge, part of the wagon gear broke and he was thrown from his wagon with such force as to break his leg. He was found in that condition by Thomas Wilson, who took him home where Dr. Wallace attended him. He is doing as well as could be expected.

Picnics.
This afternoon about 50 society people of Decatur are at the Burrows Springwood farm east of the city, enjoying a picnic. It is a bright and beautiful day, with just enough breeze to make a day in the shade of Springwood delightful. Mrs. Albert Barnes extended the invitations and has general charge of the outing.

There will be a picnic at the Barrackman farm northeast of Decatur to-morrow. Mrs. D. A. Barrackman will entertain the party.

A Sudden Attack.
This forenoon Bailiff J. J. H. Young, sr., in charge of the grand jury, was taken suddenly ill while on duty and had to be taken to his home in a vehicle. The attack is in the nature of paralysis and Mr. Young is incapable of walking. He is delirious. He is about 65 years of age and has been in failing health for several years.

A LITTLE squabble between two strangers near the National Bank corner, caused some excitement this noon. Earlier in the day they amused themselves by throwing bricks at each other. But when one called the other a "scab" it was all the poor fellow could stand—so they fought. The little fellow—otherwise the "scab"—came out crowing. The large fellow received several severe blows about the face.

Quite a large amount of wool is now coming into this market at 23 to 24 cents a pound. Buyers are also paying from \$4 to \$5 per head for good sheep. This indicates that the sheep industry is looking up and becoming more profitable.

The school board election is in progress at the tabernacle. The polls will close at 6 o'clock. The only candidate is John H. Warren. The judges are J. Q. A. O'Conor and C. M. Darfee; clerk, F. W. Hardy.

A MARRIAGE license has been issued to Albert L. Collins, of Niantia, and Miss Naomi A. Pierce, of Decatur. The couple will be married this evening at the First M. E. church.

The Calumet Tennis Club has about forty members enrolled and they expect soon to take possession of their grounds on West Macon street. They will have four courts.

The remains of W. H. Walsh, who was killed by being knocked off a railroad bridge in West Virginia, have arrived in Monticello and will be interred at that point.

A SUGAR refinery to be run by electricity is to be erected at Providence. As Shakespeare says: "Sweet are the uses of electricity."

Lawn Fete.
Instead of the festival advertised to be held in Library Block, the young ladies of the Congregational church will give a Lawn Fete at Mr. W. R. Beckmaster's, 320 W. M. street, on Tuesday evening, June 3. Everybody invited. d1

Chiropodist.
Dr. A. Reed, late of New York City, is stopping at Room 53 of the St. Nicholas Hotel. All those who are suffering with corns, bunions, in-grown nails, or any other ailment of their feet, can be relieved by calling upon the Doctor. References can be furnished from the best citizens of Decatur, at whose instigation the Doctor will be in the city until Saturday. Positively no pain. june3-d4

Commencement.
All pupils of the Decatur College of Music during the year, their parents, and all persons interested in the College, are cordially invited to attend the commencement exercises to be held at the Presbyterian church on Tuesday evening, June 10th, at 8 o'clock. d6

Fog Earache, Toothache, Sore Throat, Swollen Neck, and the results of cold and inflammation, use Dr. Thomas' Electric Oil—the great pain destroyer.

The handsome new personage of the Methodist church for the Decatur district, lately erected in the Moffit, Caldwell & Ammann addition, in the fourth ward, at an expense of \$2,500, was dedicated to-day in an informal manner. Rev. C. G. Wood, the circuit preacher, who has charge of the churches at Long Creek, Mt. Zion, Elwin and at Blount Chapel, with a total membership of over 1,000, was the host of the day and all were splendidly entertained. J. H. Gorin, Judge Nelson and others from the city joined with the country Methodists in the jubilee dedication dinner. It was an all day affair. Much credit is due Rev. Wood for his management in providing such a pleasant home for the circuit preacher. He is more than satisfied with it and those preachers who come after him will have reason to bless him for his thoughtful management.

No Pastor in Sight.
The pulpit committee of the Baptist church are yet seeking a new pastor and have considered three candidates. There is no immediate prospect of extending a call. Rev. Delano, of Evanson, was offered \$2,000 to become the pastor of the Decatur church, but it was not accepted. A New York preacher may be secured. In the meantime the pulpit will be supplied from Sunday to Sunday and the regular services during each week will be held.

DEATH OF ELDER NORTHOUT.
A Pioneer Christian Minister Called Home.
Elder A. D. Northout, an old pioneer settler in this county, died at his residence in Blue Mount at 4 o'clock a. m. on Tuesday, June 3, of paralysis of the stomach and throat, after ten days illness. Deceased was born near Mt. Sterling, Montgomery county, Kentucky, on Sept. 11, 1813. When 22 years of age he married a Miss Hathaway, and in 1835 they moved to this state and settled in Mosquito township, Christian county, near the Moses Stafford farm, where he followed farming and preaching the gospel. In 1845 his wife died, leaving three children and on June 2, 1850, he married Mary I. Hammer, only living sister of Justice William L. Hammer, of Decatur, who survives him. There were seven children by the last marriage, four sons and three daughters, all of whom are living. The deceased followed farming until about 12 years ago, when he sold his farm and bought property in Blue Mount, where he has since devoted all of his time to preaching, the most of his time being occupied at the Saunders church and the Dingman church, both near Niantia, and at Shaw's Point, Macoupin county. He was pastor of the Decatur church one year. The funeral will take place at the Christian church at 10 a. m. to-morrow. Dr. A. O. Foster will preach the funeral sermon and the remains will be taken to Long Point (Dingman's) grave-yard, near Niantia, for burial, it being his request that he should be buried there.
